

KARDEX MEDIA STATION

SYS120

Document storage system offers 160% greater capacity over traditional filing cabinets.

KARDEX MEDIA STATIONS save space, improve productivity, address your OH&S issues and blend into the most stylish office décor.

Competitive advantage

Progressive businesses demand that both electronic and hard copy documents are stored, located or retrieved at a moment's notice. Kardex Media Stations bridge the gap by facilitating hard copy document storage and retrieval at the touch of a button.

Space Saving Comparison

KARDEX Media Stations provide over 160% more storage capacity than four drawer filing cabinets. A 12 carrier Media Station provides storage equivalent to 14 four drawer filing cabinets, or 36 shelves in your standard Compactus.
